

At Afterhours Ski and Snowshoe Trail, the  
trail pass dollars are not enough !!!

## Top-quality grooming relies on additional support from skiers like you

The Afterhours Ski Trail depends on two sources of funding: One is state trail pass fees, which pay for Brule River State Forest (BRSF) staff time spent on the trail and for purchases of trail grooming equipment. The second is the Brule Valley Ski Club, which makes it possible for the BRSF staff to groom the trail to the extraordinary, top-quality standards that we Brule area skiers have come to expect.

### What the Brule Valley Ski Club Does for Quality Skiing and Snowshoeing at Afterhours

- We buy the gas for grooming.
- We help pay for grooming equipment maintenance and repairs.
- We pay for heat and lights at the Warming Hut.
- We helped fund and build the Warming Hut
